

Mainstreaming Workshop Athens, November 12th, 2018

Objectives

Focused workshop aimed at incubators and social cooperatives

- to extend the approach and methodology of the MEnt project (<http://www.mentproject.eu/>) to other cities in each country and other countries
- to exchange experiences regarding labour market integration of migrants and refugees
- to network

Audience

Local incubators fostering entrepreneurship (wanting to extend their activities to migrants and refugees) as well as social cooperatives working with migrants (and planning to offer support with regard to entrepreneurship).

Location

Greek Council for Refugees
25 Solomou Street
106 82, Athens
